### ***Handicap***

For all club tournaments, eligibility is restricted to players who have a course handicap not exceeding 30 for men under seventy-five years of age and 36 for women and men over seventy-five. The Tournament Committee reserves the sole right to permit exceptions. Players whose Handicap Index has been adjusted during the duration of any multi-round event will play with the handicap as at the first day of the competition. This will not apply to any tournament that is played concurrently with a multi-round tournament.

In certain events, where ties are to be resolved by a Play off, players shall play Hole numbers 7, 8 and 9, in order, until a result is achieved.

### ***Scorecard***

The scorecard is considered returned when the player has submitted it after verification at the Scorer's table.

### ***Finalisation of Results***

The result of the match in a match play competition is considered final once the result has been recorded on the draw in the Notice Board. A Stroke Play competition is closed when the results have been approved/signed by a Tournament Committee member.

### ***Amendment to Terms***

The Committee reserves the right to amend the terms at any time, including the right to arrange and/or alter starting times. Specific tournaments will have conditions such as handicap category limitations, minimum scores of a partner, as well as other format modifications. These will be indicated in the tournament communication sent out by the Club and are to be read along with these Terms of Competition.

The decision of the Committee is final in all matters.
